Re: Driveable Grass

Dear Ms. Swearingen:

Please be advised that the Stormwater Management New Products and Materials Committee for Montgomery County **recommends** the **re-approval** above-mentioned product for use in Montgomery County.

The approval is based on the following conditions.

1. This approval is valid for a period not to exceed five years. Manufacturer must reapply for approval to continue use of this product prior to the end of the five year period; or, the product will no longer be acceptable for use.
2. Driveable Grass is approved and must comply with the standards and specifications for reinforced turf as outlined in the revised "2000 Maryland Stormwater Management Design Manual".

All changes and/or modifications to the approved design parameters for this product must be submitted to the County for approval prior to use in the County. Failure to do so will result in revocation of this approval.

If you have questions or comments please contact me at 240-777-6338.

Sincerely,

Mark Etheridge, Manager  
Water Resources Section  
Division of Land Development Services
